

Greetings all.

I want to share the the latest news with you all; our prayer partners.

As some of you know when we opened November 17th 2001 we were given a vision for another facility with the ability to open up a women's facility. Well I am pleased to announce that Dream is become a reality.

Next week we will close on a 35,000 sq ft 72 bed facility in Washington county allowing us to open the present facility as that women's facility.

The new property is coming as another miracle and free of charge Thank you Jesus a donation (completely free)!!!!!!

We have always been it seems on the edge financially. But this ministry is not in debt and owes no one. We believe in being fiscally sound and in the word that says the borrower is slave to the lender. So we will never indebt this ministry on my watch. All our bills are paid even if we must sacrifice personally. There are no extravagances.

This new facility is going to minimally triple our budget. And two weeks ago we were unable to pay staff, but its love that drives us not the money.

We have new moving costs that will be incurred as well as new deposits to pay for the utilities. Our insurance and utilities as well as food bill will also grow much larger.

I am attaching some photos, we have an awesome opportunity as the people of God to make a difference. We will be the largest Christ centered facility in the state. We need to raise \$250,000.00

start up costs which will enable us to staff the women's facility and furnish it as well as get things going at the new place with extra staff for the increase in residents..

Please if you have found value in what we do; your finances now are so needed. I believe that you are sewing good seed into good ground.

And you have a part in this exciting ministry of the Lords.

Any amount is so greatly appreciated and monthly commitments are so needed. God is providing us with an awesome opportunity to let His light shine. Will we? ***ANY AMOUNT CAN MAKE A DIFFERENCE.***

You can send your tax deductible donations to

**Isaiah House
2415 Mount Salem Road
Hustonsville, Kentucky 40437**

And look for a soon to happen grand opening invitation as well as the news stories coming about this very exciting time for the Isaiah House.

Thank you all for all you have done.

I will keep you apprised over the next few weeks of the upcoming events.

Bless the LORD always.
